The Business Plan Competition showcases student leaders and entrepreneurs from across Long Island. Teams will be presenting their business plans to industry professionals throughout the day. Come by and see student firms interact with one another to demonstrate and showcase their latest products and services at our Trade Show. Stop by "The Bank" in Roosevelt Hall to pick up your complimentary credit cards used for making "virtual" purchases of goods and services from participating firms. This serves as an opportunity for students to market their products and services and for you to support our LI "virtual" economy.
