

2020 Florida Regional Conference & Exhibition Competition Overview

The following competitions are open to all firms participating in the 2020 Florida Region Conference & Exhibition. Guidelines and rubrics are available on the Portal under the Competition & Rubric link. Please pay close attention to submission period and deadlines, and the document format that entries must be submitted in. If the correct format is not followed, submissions will not be judged. Once your firm has uploaded their competition submissions, you will receive an email confirming receipt of submissions.
