COLOR PALETTE

Our company is modern, sleek, and cutting edge. From our logo to our company colors, everything was chosen with the purpose to convey this ideal. Blue symbolizes stability and intelligence, which are two qualities within our company values. Recycling is what our company is founded on, and recycling bins are blue. Grey is a neutral and balanced color that is bold but not overpowering. Our company wants to make an empowering statement in the world and these colors support that.

FONTS

To whom it may concern,

ReCase manufactures phone cases out of recycled material including; wood, plastic, and aluminum that protect a wide range of phones. In creating this company, the founders aimed to decrease baffling pollution statistics relating to materials that are recycled but not being reused by creating phone cases. Unique in their attractive design, our cases are both budgetfriendly and durable. ReCase seeks to capitalize on the use of recycled materials. We have a myriad of cases to choose from including; Power Colors, Everyday, Seasonal, Holiday, and a custom design feature.
