## Aromatherapy

### To Whom It May Concern:

Essentials Aromatherapy is where fragrance meets wellness. We believe in the power of aromatherapy to elevate your everyday moments. At Essentials, we curate a harmonious blend of essential oils and fragrances to bring tranquility to your life. We believe that true well-being begins with the essence of nature, so we offer a multitude of products to boost your well-being varying from bath bombs, essential oils, lotions, and diffusers. For our customers, we offer a variety of bundles to ensure the full **Essentials** experience designed to fully equip you with the tools to use aromatherapy at home. Elevate your senses with Essentials!

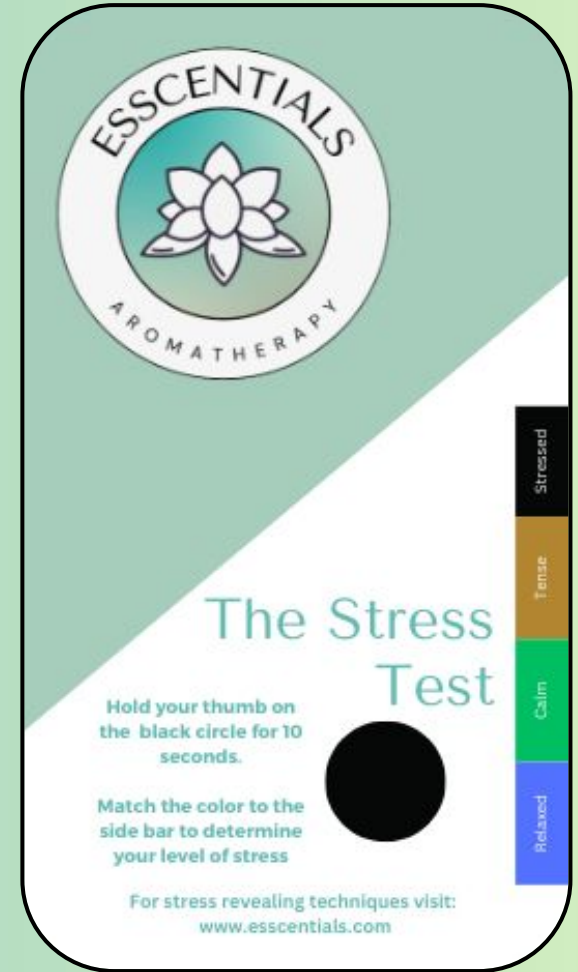

Best regards,

Ashleigh Mitnick- Chief Marketing Officer
